RECRUITMENT FOR ADMINISTRATIVE / TECHNICAL POSITIONS FOR ADVANCED TECHNOLOGY PLATFORM CENTRE

Regional Centre for Biotechnology (RCB) is an institution of education, training and research established by the Govt. of India under the auspices of UNESCO to foster innovative research and education in a wide range of biotech-related sciences. RCB is situated in the NCR Biotech Science Cluster (NBSC) developed by the Department of Biotechnology, Government of India, on a 200-acre site located at Faridabad within the NCR Delhi along with other constituent institutions. The Advanced Technology Platforms Centre (ATPC) is a major research resource of the NBSC that is being established through the RCB. The ATPC is a technology support initiative to promote multidisciplinary research for health innovation and would comprise of high throughput technology platforms such as, but not limited to, genomics and proteomics, macromolecular structure determination, high-resolution microscopy, protein expression and purification etc. The ATPC will make available these high-end technologies to the members of the NBSC as well as other academic and industry researchers in a revenue generation model to support its financial sustenance. Initially, the following technology platforms are being established: Genomics, Proteomics, and Mass Spectrometry Platforms, Microscopy platforms including Electron Microscopy and Super Resolution Confocal Microscopy, Molecular Interaction platforms to study Macromolecular Interactions, and Animal Experimentation Platforms.

RCB is looking for dynamic, result-oriented and dedicated aspirants for the following positions in the ATPC and invites applications from suitably qualified, dynamic, result-oriented and dedicated candidates for the following contractual posts on direct recruitment/deputation. The project duration is initially for a period of approx. 3 years till March 2020.

Sl. No.	Name of the post and consolidated emoluments	Qualifications and Experience	Job description and responsibilities	No. of posts & age limit
1.	Senior Finance and Business Manager (SFBM), Emoluments: Up to Rs. 150,000 per month	<p>Essential Qualifications: A first class graduate with post graduate degree in finance / MBA with specialization in Finance. Candidates with professional qualifications like CA/ICWAI will also be considered.</p> <p>Experience : Candidate should have wide experience of a minimum of 15 years in the field of Project Costing, Accounting, revenue generation, fixing of service charges, raising invoices, statutory compliances of the GOI, and hands on experience in most of the areas identified in the job description.</p>	<ul style="list-style-type: none"> • Business development, setting targets, planning & monitoring • Work closely with the Chief Executive/Head ATPC to develop business and monitor ATPCs performance against business objectives and targets; use reports to track progress against targets and prepare regular reports for the Board and Committees • Contribute to the formulation and dissemination of annual plans, monitor their implementation and make appropriate changes within areas of responsibility. • Manage the design and dissemination of publicity material for business development. • Finance • Oversee budgetary management and the preparation of accounts and financial reports • Development of financial policies and procedures to ensure effective management of ATPC • Manage contracts, tendering arrangements and ongoing relationships with suppliers • Governance • Manage an effective and efficient servicing of meetings of the Board, its Committees and other associated groups • Co-ordinate working groups and / or committees to ensure effective outcomes in line with the 	One post, Age limit: 50 years

			<p>agreed objectives and resources.</p> <ul style="list-style-type: none"> • Administration Management • Provide supportive and effective leadership to the management staff • Ensure that the recruitment, management, training, development and appraisal of staff is undertaken effectively within areas of responsibility • Ensure that current employment, equal opportunities and health and safety legislation, together with good practice, are consistently applied. • Any other duties as may be assigned by the Executive Director within the context of the contract of employment. Priorities are likely to vary from time to time. • 	
2	<p>Technology Manager, Emoluments: Up to Rs.100,000 per month</p>	<p>Essential Qualification: PhD in Life Sciences / First class Post Graduate degree in Life Sciences.</p> <p>Expeience: Three years' experience with PhD, or 8 years' experience with MSc degree, having demonstrated hands-on expertise of at least one of these technology platforms listed above.</p> <p>The experience in a scientific organization of repute in the area of R&D or research management only shall be counted.</p> <p>Desirable: Experience in business management, or management of the intellectual property, or project management.</p>	<ul style="list-style-type: none"> • Independently create, operationalize, and manage the technology platforms assigned. • Create SOPs, train technical staff and manage them for efficient delivery of the technical services. • Conduct research on method development and provide technical advise to users in planning their experiments involving the use of the ATPC technology platforms, and help the user with data acquisition and interpretation. • Coordinate with the cluster/RCB infrastructure (IT, electrical, AC etc.) team and other members of the facility to ensure smooth running of the ATPC facilities • Troubleshoot problems with instruments with the help of authorized application scientist or engineer. • Help in activities related to organization of various training courses conducted on campus. • Provide teaching assistance to students and trainees wherever necessary. 	<p>Two posts, Age limit: 45 years</p>
3	<p>Associate Business Manager, Emoluments up to Rs.75,000 per month</p>	<p>Essential Qualifications: A first class graduate with post-graduate degree in Communication / finance or an MBA. Candidates with professional qualifications like CA/ICWAI will also be considered.</p> <p>Experience : Candidate should have an experience of a minimum of 5 years in the field of project / service management, revenue generation, trade negotiations, raising invoices, knowledge of statutory compliance rules of the GOI and hands-on experience in areas identified in the job description.</p>	<ul style="list-style-type: none"> • Business Development, Meeting Targets, Planning & Monitoring • Work closely with the SFBM to develop the business and help ATPC achieve its business objectives and targets; prepare reports to track progress against targets for the management • Contribute to the formulation of annual plans, monitor their implementation. Plan and produce the publicity material. • Governance • Help organize the meetings of the Board, its Committees and other associated groups • Co-ordinate with various working groups and/or committees to ensure effective outcomes in line with agreed objectives and targets. • Contracts Management: Look after all aspects relating to operational services like AMCs and related contractual matters. Any other duties as maybe assigned by the SFBM and within the context of the contract of employment. Priorities are likely to vary from time to time. 	<p>One post, Age limit: 35 years</p>

4	Administrative Officer (AO), Emoluments: Up to Rs.75,000 per month	<p>Essential Qualifications: A first class graduate with post graduate degree in finance / management / HR. Candidates with professional qualifications like CA/ICWAI will also be considered.</p> <p>Experience : Candidate should have an experience of a minimum of 5 years in the field of recruitments, postings, service rules and statutory compliances of the GOI rules, and hands-on experience in most of areas identified in the job description</p>	<ul style="list-style-type: none"> • Administration Management • Provide supportive leadership to SFBM in management of staff within the areas of responsibility • Ensure that the recruitment, management, training, development and appraisal of staff is undertaken in a timely manner • Ensure that employment policies of the RCB, equal opportunities and health and safety legislation, together with good management practices, are consistently applied. • Finance • Oversee budgetary management, and management of accounts and production of financial reports • Contribute to the development of financial policies and procedures to ensure effective management of funds • Manage contracts, tendering arrangements and ongoing relationships with vendors. • Governance • Efficiently manage the servicing of Board meetings and its committees and other associated groups • Co-ordinate working groups and/or committees to ensure effective outcomes in line with agreed objectives and resources. The application format is available at website www.rcb.res.in or www.rcb.ac.in. Interested candidates should submit their applications duly completed, to the Senior Manager (A&F), Regional Centre for Biotechnology, NCR Biotech Science Cluster, 3rd Milestone, Gurgaon Faridabad Expressway, Faridabad 121001 **in the prescribed format** which can be downloaded from the website, along with attested copies of certificates of academic, professional & technical qualifications, present position and past experience, caste certificate, if any, photograph and a Demand draft of Rs. 500/- from any Nationalised Bank (SC/ST/PH candidates are exempted from payment of fees) drawn on State Bank of India payable at Faridabad in favour of the Executive Director, Regional Centre for Biotechnology, **latest by 31.07.2017**. Applications received without the requisite fee or copies of testimonials will be summarily rejected and no communication thereafter will be entertained in this matter.

TERMS AND CONDITIONS

- The age limit, qualifications, experience and other requirements can be relaxed at the discretion of the Controlling Authority, in case of candidates otherwise well qualified for the specific position.
- The appointment will be initially for a period of one year which may be extended based on a satisfactory performance evaluation. The positions are presently under Project mode and will be co-terminus with the project.
- The experience requirement specified shall be the experience acquired after obtaining the minimum educational qualifications required for the post.
- Candidates are required to enclose self-attested copies of all the testimonials in support of their qualifications & experience failing which their candidature is liable to be rejected outright. All educational, professional and technical qualifications should be from a recognized Board / University and the original certificates should be produced at the time of interview, if shortlisted.
- Persons working in Govt. or Public Sector Undertaking and willing to work on deputation should apply through proper channel or produce 'No-Objection Certificate' at the time of interview.
- Outstation SC/ST candidates called for interview will be paid to & from second class railway fare, as per the GOI rules on production of the railway tickets.
- Canvassing in any form will be a disqualification.
- Mere fulfilment of the minimum prescribed qualification and experience will not vest any right on a candidate for being called for interview. Only the candidates short listed by a duly constituted Screening Committee will be called for interview. In case a large number of applications are received for each post, the Screening Committee may limit the number of candidates to those possessing higher qualification or alternatively may arrange written screening test for short-listing the candidates. The decision of the Centre in this regard will be final. No interim inquiries in this regard will be entertained.
